23rd June 2020

Dear Parents and Carers

I am writing to inform you that school will be closed for all children over the summer holiday period.

Bee Active will not be operating on our school site this summer. This is to allow us to ensure that our school is thoroughly prepared to reopen in September to welcome our children back (in line with any government guidelines that are published between now and September).

The decision not to have a Holiday Club operating on site has not been taken lightly but has been made under full consideration of current government guidelines and to allow us to fully prepare our building over the course of the summer.

Please be aware that Bee Active, who have previously operated on our site, are opening in a limited number of venues in the local area including Blurton, Newcastle under Lyme and Blythe Bridge, booking details can be found on their website <https://beeactive.co.uk>

We hope that, as the country starts to return more to the normal that we are used to, we will be able to offer onsite holiday club provision for future school holiday times.

I apologise for any inconvenience that this causes however at this time it is paramount that we prepare for a smooth, safe transition for our children back into school in September.

Take care and stay safe

Yours sincerely

Mrs J Wass

Headteacher
