20th March 2020

Dear Parents and Carers

On behalf of myself and all of the staff at St Michael's CE (VC) First School, can I pass on my thanks to you for all of the support and understanding that you have shown to us as a school over the last few difficult days.

I would like to take this opportunity to thank all of the team of staff for their hard work and support during this time. The staff have been working to prepare activities for home learning alongside the continuation of our normal school learning but most importantly helping to support the children and keep life as normal as possible. In addition, there has also been increased communication and administration that staff have been managing in school. I thank them for all that they have done and will continue to do in the weeks ahead, putting themselves on the frontline to provide care for children of workers who are vitally needed at this time.

As a community we find ourselves in an unprecedented situation. As a school we are closed to the majority of children but if you require any help or have any questions regarding your child or their learning please email the school office and we will contact you. If you have any other concerns that we could help with please also email or if you need to talk to us urgently please call the school and we will support you to the very best of our ability.

Please stay safe, follow government advice and look after yourselves and your families.

We look forward to welcoming you all back when we are once again able to open our gates.

Kind regards

Mrs J Wass
Headteacher
