Dear Parents and Carers

## St. Michael's Egg Week

Today has seen the start of another WOW week here at St Michael's. We are looking forward to enjoying a week of activities related to the strange nest and eggs that have appeared in our grounds this weekend! This morning, the children and parents started the day walking into our 'quiet zone' then past the nest and we have ensured that all of the children have been out again this morning for a really good look. There are suggestions of dragons, dinosaurs and even giant chickens walking around in our woodlands currently but we will let you know if there are any actual sightings.

Throughout the week, the children will be learning about different animals that lay eggs and participating in activities linked to specially chosen stories in different year groups. There are a couple more surprises still to come as the week goes on as well.

On Thursday, the children are allowed to come in dressed up as eggs, something that comes out of an egg or in nest/egg colours to end our week (Year 1 only, will have their dress up day on Wednesday due to their trip out on Thursday).

Thank you for all of your continued support. We look forward to sharing our Egg Week with you.

Kind regards

Miss A Whitney  
Deputy Headteacher
