We're counting down to Number Day 2022!

19th January 2022

Dear Parents and Carers

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 4th February 2022 (Nursery Thursday 3rd February)**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That is why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. The children will spend the day completing a number of fun maths based tasks.

We are also inviting the children to come into school on this day in a maths themed fancy dress. This could be dressing up as a number, a calculator, a dice, a patterned t-shirt or even wearing a t-shirt decorated with calculations or with a number on. Let your imagination run wild. The staff will also be dressing up on this day too!

We are asking for donations on the day that will all go to the NSPCC. Please could these contributions be made through SchoolMoney (we are a cash free school so please do not send money in).

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at school will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.

Mrs L Gardiner
Maths Lead
