

# St. Michael's CE (VC) First School Newsletter

Number 06

14th January 2022

*This half term we have been focussing on the Christian value of Courage within our worship time. It has been wonderful to hear the children talk about how they have found the courage to try new things or achieve goals that they have set themselves.*

*We are very proud of our Year 4 children who have attended Laches Wood this week. They have shown super positive attitudes to all of the activities and fantastic behaviour during their time on residential.*

*My thanks to all of the adults in school who also attended the visit.*

*Have a wonderful weekend.*

*Mrs J Wass*

*Headteacher*

## Certificates and Special Awards

### Nursery

Nia      Millie      Abigail      Bea

### Early Years

Jayden      Sienna      Edward      Bella      Harry      Kara

### Year 1

Travis      Dexter      Tilly      Jenson

Friday 8th April	Break Up for Easter Holidays
Monday 11th—Friday 22nd April	School Closed

Through God we love, Laugh and Learn

*'This is the day that the Lord has made; let us rejoice and be glad in it.'* Psalm 118:24

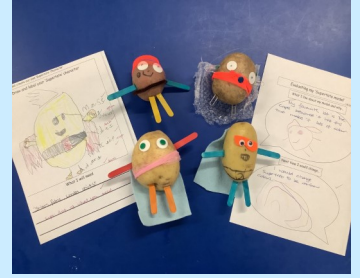

### Nursery

Our new topic in Nursery is 'People who help us' and as you can see the children have had lots of fun dressing-up. We had a lovely animated discussion about different occupations, places of work and who to ring in an emergency! The children also talked about all their relatives who help them at home.

### Early Years

Early Years have been learning all about superheroes to start off our 'People who help us' topic. We listened to the story of 'Supertato' and then

we designed, made and evaluated our own Supertato models. The children had to think about what materials they would need to follow their design, and also how they would attach them to their potatoes. They all did a 'super' job!

### Year 1

Year 1 have been learning about fiction and non-fiction in English. They have been making bird feeders in science and looking at how we care for our birds in the Winter time.

In PE we are learning how to skip with a skipping rope.

### Year 2

Year 2 have been learning about Hinduism and have painted elephants. We have also been investigating forces in science.

### Year 3

Year 3 have been learning about forces in Science. We made freeze frames of different pushes and pulls.

Can you guess what action we are completing in our freeze frames?

### Year 4

Year 4 are having a fabulous time at Laches Wood.

**Through God we love, Laugh and Learn**
