

Through God we love, laugh and learn

*"This is the day that the Lord has made; let us rejoice and be glad in it." Psalms 118:24*

### **St Michael and St Wulfad's Church**

As a school we have close links with St Michael's Church and the children have a number of opportunities to visit the church during the school year both to join collective worship with the local community and as part of their RE lessons.

Currently our Key Stage 2 children visit the church once every three weeks to take part in the Thursday communion service and it is wonderful to join with the church community for this.

Find out more about St Michael's and St Wulfad's on their website:

[www.stmichaelschurchstone.co.uk](http://www.stmichaelschurchstone.co.uk)

### **St Saviour's Church, Aston By Stone**

We also enjoy links with St Saviour's Church in the small hamlet of Aston by Stone. Our school choir visit the church to sing at services during the year.

## Through God we love, laugh and learn

*"This is the day that the Lord has made; let us rejoice and be glad in it." Psalms 118:24*

Reverend Ian is a regular visitor to the school leading worship, supporting with RE lessons and special days during the school year. He regularly welcomes the children to the church to support the RE lessons of different year groups for example leading a mock baptism service. As a school we also attend Open Door events at St Michael's for children in Years 1 and 3 these are led by school staff and the church community.

A number of volunteers from St Michael's Church help lead our after school 'Adventurers club.' Our Christian club focusses on stories from the bible through art, drama and craft. The sessions conclude with a short family worship to which the children's parents are invited to attend and in which the children play an active role sharing their learning from the session. This club is very well attended by children from Early Years through to Year 4.
