Number 17

8th July 2022

On Thursday evening the sun shone for us as we had our summer fayre.

It was fantastic to once again be able to hold this event
and lovely to see how well supported it was.

My thanks to the PTA and staff who organised
and helped run the evening and all who attended.

We will let you know how much money we have raised next week.

Nursery

We took part in all of our Sports Day races with big happy smiles. When all the races had ended we invited all the parents and grandparents into our classroom for refreshments, they then had the opportunity to see our colourful displays and to look at our Topic books and Learning Journeys.

We had a lovely morning!

Early Years

Now we're in summer we have been exploring sun and water safety ready for the holidays!

We have enjoyed circle times to share our thoughts and then engaged with many activities linked to our PSHE themes.

Year 1

We have been learning about sea shanties. We have been singing Nathan Evans 'Wellerman' and a dance to go alongside. Here is a couple of

links if you want to sing it and dance at home:

Year 2

We went out to find micro habitats around the school grounds.

We also had great fun in PE learning to throw our foam javelins!

Year 3

Year 3 have worked so hard this year learning their glockenspiels and we are so proud of how amazingly they performed in their concert this week!

Well done 3G, you were all absolutely brilliant!

Year 4

This half term, all of Year 4 have been going out in groups with Mrs Fritz to do transition work - getting prepared for middle school. We have been talking about any concerns and worries and having some of our questions answers.

Geography

Hope you are all enjoying exploring Australia! We are loving the fun facts that you are sharing with us and Early Years have even been entertained with some didgeridoo playing! Keep your eyes peeled for an exciting 'Summer Holiday Geography Challenge' that will be coming home before we break up. We need you to be holiday detectives, looking at landmarks from around the world and working out where all the teachers are going on their holidays. The tricky bit will then be solving the clues to work out which teacher is going where....

Vacancies

We have vacancies for a Lunchtime Supervisor and a Play Worker for our Wraparound before and after school club.

If you know anyone who would be interested please ask them to contact Mrs Switzer.

We will be putting all of the lost property out on the playground one day next week. Please have a look to see if anything belongs to your child.

Look out for the text informing you which day.
