Dear Parents and Carers

Re: Roman Workshop- Friday 31st March 2023

As part of our next topic, The Romans, we have arranged for Year 3 to take part in a workshop day in school. This will be delivered by the company 'Portals to the Past', who previously ran our Stone Age workshop which the children thoroughly enjoyed.

The session consists of a group investigation, where students explore numerous informative displays and artefacts, and get hands-on experience of ancient technology and skills.

The workshop will take place on **Friday 31st March 2023**. It will take place in school as part of the normal school day. In order to cover the cost involved in providing this experience we are asking parents for a contribution of £5 per child. This can be made in the usual way through the SchoolMoney website. Many thanks to the PTA who have kindly funded the remainder of this workshop for us.

Thank you for your continued support.
