Dear Parents and Carers

## St. Michael's British Wildlife Week

Today has seen the start of a new WOW week here at St. Michael's. We are looking forward to enjoying five days of activities related to the book "The Lost Words" by Robert Macfarlane. This book was suggested to us by one of our governors and we love it.

Throughout the week, the children will be participating in learning activities linked to specially chosen parts of the book, depending on which year group they are in. Obviously, we are planning that some of these activities will take us outside, around our wonderful grounds, to explore the wildlife close at hand.

As you should already be aware, we are hoping to have a school and family walk around the Downs Banks on Thursday at 6pm (letter emailed 17th May). It would be great to see as many families there as possible.

On Friday, the children are allowed to come in dressed as a British animal or in natural colours. Also, at 3.30, as you pick up your child, we are opening the doors to your child's classroom until 4pm so that you are able to come in and share the great work that the children will have been doing throughout the week.

Thank you for all of your continued support. We would love to see any photographs that you or your children have taken of any British wildlife so please either send in a copy or email them to the school office for the attention of the child's class teacher. We look forward to sharing our week with you.

Kind regards

Miss A Whitney  
Deputy Head
