Dear Parents and Carers

Magical Mythical Creatures Week

Today has seen the start of yet another new WOW week here at St. Michael's. As the children arrived, there were creatures waiting along Weaver's Lane for them and staff had transformed into something magical. We are looking forward to enjoying five days of activities related to Magical Mythical Creatures. Early Years and Key Stage 1 will be using the book "Magical Creatures" by Meg Clibbon and Key Stage 2, the book "Tell Me a Dragon" by Jackie Morris to support their learning.

Throughout the week, the children will be participating in learning activities linked to specially chosen parts of the books. Obviously, we are planning that some of these activities will take us outside, around our wonderful grounds, to see if we have any other magical, mythical creatures living in and around school.

On Thursday, the children are allowed to come in dressed as a magical, mythical creature or in rainbow colours (Wednesday for Nursery).

On Friday, the children are having a real treat, gathering together in the hall to enjoy a film. Also, at 3.30pm, as you pick up your child, we are opening the doors to your child's classroom until 4.00pm so that you are able to come in and share the great work that the children will have been doing throughout the week.

Thank you for all of your continued support. We look forward to sharing our week with you.

Kind regards

Miss A Whitney
Deputy Head
