Dear Parents and Carers

Family Café

On **Wednesday 7th February from 9.00 – 10.00am** we will be holding our next Family Café.

Our Family Cafés are designed to welcome parents or grandparents to join in with your child's learning for an hour, see the fun activities we get up to in school and take some ideas home to continue the learning. We have delivered our cafés for the past 6 years and have had great success with them, with parents commenting that they support them with how to teach their child with more confidence but also a great opportunity to come into class and enjoy activities with their child.

Our next theme is reading and tricky words. We follow the Little Wandle phonics scheme in school and the children's reading is developing well. This café will be an interactive one where we play games together to enhance the children's knowledge of tricky words and reading with fluency. You will also have fun making a little keepsake for home to support in reading.

As it is a café we will have drinks and snacks available in our Wraparound club room for you to enjoy whilst we register the children.

We look forward to welcoming you!
The Early Years Team
