## We're counting down to Number Day 2024!

Dear Parents and Carers

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 2nd February 2024.**

### Making maths meaningful

We are inviting the children to come into school on this day in a maths themed fancy dress. This could be dressing up as a number, a calculator, a dice, a patterned t-shirt or even wearing a t-shirt decorated with calculations or with a number on. Let your imagination run wild. The staff will also be dressing up on this day too!

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. The children will spend the day completing a number of fun maths based tasks.

We are asking for donations on the day that will all go to the NSPCC. Please could these contributions be made through SchoolMoney.

### It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at school will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.

Mrs L Gardiner

Maths Lead
