Through God, We Love, Laugh and Learn.

21st March 2024

Dear Parents and Carers

Coding Club

During the Summer term all of the children in Year 1 will have access to a lunch time coding club on a Monday, exploring our bee and mouse bot STEM kits, playing with and designing routes for them. Coding is part of the primary curriculum and this is an extra opportunity for your child to engage with coding and have fun with our robotic kits.

Each child will receive 4 fun sessions in the computer room with myself so as to allow all of Year 1 to access the club over the next 14 weeks. The Coding Club will begin after Easter with a group of 12 children then 4 weeks later another group of 12 and so on.

We hope your child enjoys this extra-curricular activity and if you have any queries please do not hesitate to ask.

Thank you
Mrs N Farrell
Science Lead
