

St. Michael's CE (VC) First School Newsletter

Number 10

15th March 2024

The children have all looked fantastic in their red accessories today. Thank you to all who have supported raising money for Comic Relief in school, we will let you know how much we have raised shortly.

We all enjoyed our pyjama day in school last week to celebrate World Book day along with a range of book related activities that the children participated in. Early Years were fantastic role models for our school when they visited Stone library for story time and to choose a book to loan.

Year 1 continued developing their history knowledge with a visit to Stafford Castle this week. They had a wonderful time and represented our school fantastically with their super behaviour and inquiring minds.

Please remember that school closes on Thursday 21st March at 3.30pm for the Easter holidays, Friday 22nd of March is an INSET day for teachers only. We welcome the children back on Monday 8th April.

Have a wonderful weekend hopefully the Spring sunshine will continue to shine.

Through God we Love, Laugh and Learn

'This is the day that the Lord has made; let us rejoice and be glad in it.' Psalm 118:24

Nursery

We have been busy looking for signs of Spring. We have been on a Spring flower hunt, we've painted daffodils and we've planted our own primroses to brighten up our playground.

Early Years

For British Science Week we have been learning about shadows. We played with different light sources to make shadows with the toys.

Year 1

We had a great time at Stafford Castle. We had fun exploring the castle grounds, pretending to be knights, minting our own coins, making lavender bags and dressing up!

Year 2

We have been learning about division and multiplication. We also had lots of fun on World Book Day looking at our favourite books and Archie's mum came and read us a story too.

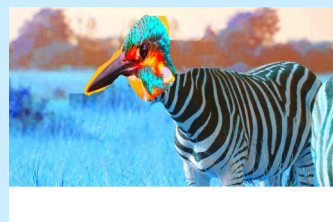

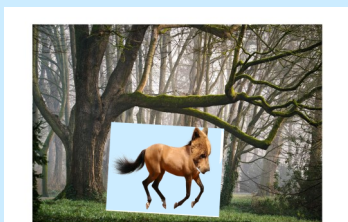

Years 3 and 4

This term we have been learning how to edit photos. We have been able to use a new software within our computing lessons to learn how to rotate, crop, clone and create new images. This week we have loved creating 'Magibeasts' using all of our new skills.

We are very proud of our creations and hard work!

***'This is the day that the Lord has made; let us rejoice and be glad in it.'* Psalm 118:24**

Friendship Club

Friendship Club have been talking about the signs of Spring and made lovely trees full of blossom.

British Science Week Competition

Thank you for all the amazing competition entries for British Science Week, exploring different scientific careers. It has been wonderful to watch the videos, hear the children talk about their projects and see some of their creations.

They will all receive their Ogden Trust Science badge and certificate next week and winners will be announced soon.

Thank you, Mrs Farrell.
