Dear Parents and Carers

## Key Stage 1 Parent Workshop

Join us on Wednesday 25<sup>th</sup> September 6.30pm – 7.30pm for our Key Stage 1 Parent Workshop event. During the evening we will be sharing with you the methods used in Years 1 and 2 to teach mathematics. Teachers will also demonstrate the strategies used during guided reading and the teaching of phonics and spellings.

The evening will provide an overview of activities that you can use in the home to support your child and provide an overview of online learning platforms that your child will have access to.

We hope you can join us on the evening. Please be aware that this is for parents only.

Regards

Mrs J Wass

Headteacher
