Dear Parents and Carers

## Re: Year 3-4 Stone-Age Workshop – Monday 21<sup>st</sup> October 2024

As part of our current Stone-Age topic, we have arranged for the children to take part in a workshop day. The company 'Portals to the Past' will deliver this educational session.

The children will be able to take part in a wide range of activities as well as handle historical artefacts all led by a real(ish) Stone-Age man.

This special event will take place on **Monday 21<sup>st</sup> October 2024**. It will take place in school as part of the normal school day. In order to cover the cost involved in providing this educational workshop we are asking parents for a voluntary contribution of £5.88 per child. This can be made in the usual way through SchoolMoney.

Thank you for your continued support.

Yours sincerely
