

DESIGN THE FUTURE

Ogden Trust Lunar Base Challenge!

Your mission: design, build, paint, or research what a future lunar base needs! Whether through a model, drawing, or presentation, show your vision for living on the Moon.

Amazing prizes to be won!

A first, second and third place prize and a limited edition badge for the top ten entrants.

Commemorative certificate for every participant!

Submit your creations by the 2nd December.

Please hand your entries to your teacher or Mrs Farrell.

Supported by the Ogden Trust and Celebrating NASA's Artemis Mission!
