Dear Parents and Carers

We are very fortunate to have such a great group of people volunteering in school but we are now looking for further volunteers to come into school to hear children read. This would be in a different class to that of your children and would require the completion of a DBS check, completed through the school.

If you would be interested in coming into school or know someone that would, please could you email the email address below. This could be for an afternoon or even for an hour as part of the afternoon. Training on how to do this will be provided once in school and you will be supported by the Class Teacher and Learning Assistants.

Many thanks

Mrs L Gardiner
