## Bikeability Level 1 Training for KS2

Dear Parents and Carers

We have arranged for the KS2 children to participate in the level 1 Bikeability training.

**Level 1** is designed to give your child control over their bike and takes place in groups in a space away from traffic such as a playground or closed car park.

This is an excellent opportunity for your child to improve their bike skills and prepare for when they eventually ride on the roads.

Your child may wear their normal school clothes, suitable for the season and weather. Excessively loose clothes may be hazardous and should be avoided. If it is a colder day, warm layers, waterproofs and gloves are recommended. **All children need to wear a helmet for Bikeability training.**

If your child does not have a bike or helmet, please try and borrow one for the day. We may be able to borrow a couple from the company doing the training but that will depend on their availability for that day.

All three classes are doing the training on separate days:

3-4W – Friday 28<sup>th</sup> March

3-4B – Wednesday 2<sup>nd</sup> April

3-4G – Friday 4<sup>th</sup> April

An email has been sent out previously for you to sign up and give your consent for your child to participate in the training (27<sup>th</sup> February) – please use the link from this. We need to pass on information to BikeRight asap so please ensure the form is completed by the end of day on Friday 14<sup>th</sup> March.

If you have any queries please contact [office@st-michaels-stone.staffs.sch.uk](mailto:office@st-michaels-stone.staffs.sch.uk)

Yours sincerely  
Miss A Whitney  
KS2 Lead
