25<sup>th</sup> March 2025

Dear Parents and Carers

## KS2 Project

During the 'Bikeability' days (28<sup>th</sup> March, 2<sup>nd</sup> & 4<sup>th</sup> April), different children out of different classes will be participating at the same time. Over the three days, we will be setting a project for the children to complete. This will be to create a booklet about a subject chosen by themselves. It could be about a hobby such as football or gymnastics, for example, or about something they have a particular interest in e.g. space, dinosaurs, etc.

We will have the ipads and books from our libraries for the children to do research from but it would also be great if you are able to support them with their fact-finding missions at home too. We will be talking to the children about this project over the next couple of days, ready to start on Friday.

Please don't hesitate to contact your child's class teacher with any queries. Thank you for your continued support.

Yours sincerely

Key Stage 2 Staff
