

# St. Michael's CE (VC) First School Newsletter

Number 13

4th April 2025

Well done to our KS2 children who have completed their Bikeability training this week. The instructors were very impressed with how polite all of our children were, how well they listened and the determination they showed in the sessions—well done everyone!

It was fantastic to see so many parents for our consultation evenings last week, we hope you enjoyed hearing all about your child's achievements this academic year.

We look forward to welcoming you into school next week for our Easter Services, the children are working very hard in their preparation for these.

Have a wonderful weekend, hopefully the sun will continue to shine.

## Nursery

We have been making the most of the lovely sunshine this week and we have been exploring shadows. We looked for shadows around

school and then drew our own shadows on the playground. We also enjoyed playing a 'copy me' game with our shadows, seeing what funny moves our shadows could make!

## Early Years

We have enjoyed creating Easter gardens using nature and peg boards. We added a rock to represent the tomb and a chick to show new life.

## Year 1 and 2

Last week we upset our class chairs and they all quit so we had to write letters to convince them to come back.

Then we had great fun dressing up as our favourite crayon and built our own houses for the crayons.

## Year 3 and 4

We have been having fun on our bikes this week by taking part in Bikeability.

We have learnt how to ride our bikes safely and carefully around obstacles.
