Number 15

23rd May 2025

I hope that you all have a wonderful half term holiday. It's hard to believe that when we return it is the last half term before the summer holidays, however it will certainly be a very busy term!

Please see the list of dates on this newsletter about timings of upcoming events.

Enjoy the half term holiday, hopefully the sun will continue to shine.

Nursery

We have been learning all about bees this week.

In Forest School we flew from flower to flower collecting nectar, pollinating the plants as we went.

Early Years

We had a fantastic time at Twycross Zoo. We learnt lots of facts about all of the different types of zoo animals.

The children were absolutely amazing and did us all proud. Well done Early Years!

Year 1 and 2

We have been learning about British wildlife in Science so in our Forest School lesson we learnt about animal footprints and had great fun painting them with water on the playground.

Year 3 and 4

We all went on an enjoyable visit to Stone Library on Thursday morning.

We had loads of fun taking part in some TikTok-style speed dating with some books. Ask us all about it!

After that, we perused the library and each chose a book for ourselves to take out on loan.

Margaret Moss

Margaret Moss, a long standing Foundation Governor of the school, has concluded her term of office.

I would like to take this opportunity to thank her for all of her support of the school in this role and the time that she has given St Michael's.

I am sure that you join me in wishing her all of the very best for the future.

I will update you when a new Foundation Governor is elected.

Lost Property

We have a huge amount of lost property that cannot be returned as it is unnamed—water bottles, trainers and a mountain of jumpers and cardigans!

After half-term this will be recycled if not claimed so if you have lost anything please have a look in the boxes.

Next week please spend a few minutes naming all of your children's belongings so that we know who it belongs to.
