

# St. Michael's CE (VC) First School Newsletter

Number 16

13th June 2025

It has been a very busy start to our last half term of the academic year.

Many thanks to all of the parent volunteers who have helped support our outings and other learning opportunities such as school swimming, library visits and school trips this year. Without parents and grandparents helping on these days we would be unable to offer these opportunities to our children. If you would like to join our list of parent volunteers please contact the office who can provide you with more information. We are also looking for more volunteers to help at our school summer fayre. If you are happy to support in any way please email the school office. Thank you.

We look forward to an action packed few weeks, please see the attached dates list for upcoming events.

Have a wonderful weekend, hopefully the sun will continue to shine.

Through God we Love, Laugh and Learn

*'This is the day that the Lord has made; let us rejoice and be glad in it.'* Psalm 118:24

## Nursery

We have been busy 'bees' in maths. We have been practising recognising, ordering and counting numbers to 10. We have also been practising forming numerals to 10.

What amazing mathematicians!

## Early Years

We have been learning all about pirates this week. We have read lots of stories and written sentences to describe pirates. We have also made pirate hats, treasure maps and were brave enough to walk the plank!

## Year 1 and 2

We had a fabulous day at Peak Wildlife Park.

We had a talk about the lemurs and got to feed the wallabies.

## Year 3 and 4

We have been learning all about persuasive language in English.

We looked at healthy eating posters, discussed how these posters persuade us to eat healthily then we made our own!
