Stone Library Summer Reading Challenge

Dear Parents and Carers

It's almost the end of the school year and '**The Summer Reading Challenge**' is about to begin! This year's theme is '**Story Garden**'

We have introduced the challenge to the children today in worship so hopefully they are now excited about taking part! Signing up for '**The Summer Reading Challenge**' will help your child to maintain their reading level over the summer. It will also encourage children to discover and explore science and innovation all around them!

The challenge starts from tomorrow Saturday the 5th of July but you can sign up whenever you want. You will need to read 6 books over the holiday up until September 13th. If you complete the challenge and receive your certificate and medal please bring them into school so that we can celebrate your achievements in worship.

I have also attached a list of all the amazing activities going on at the library over the summer.

So pop down to Stone Library to sign up!
Have fun

Ms J Silvester
