26<sup>th</sup> September 2025

Dear Parents and Carers

## KS2 Autumn Walk

Each term this year we will be taking a local walk as part of our science curriculum. This is so the children can begin a scientific enquiry that is an observation over time enquiry. They name and identify living things in their local area, collecting data throughout the year. This will help them understand how seasonal changes influence plant and animal life.

Our first walk of the year will take place in the afternoon on Wednesday 8<sup>th</sup> October 2025. We will be leaving at 1.30pm and will be back in time for the end of the day. The children will need to come dressed appropriately for the weather that day, as we will plan to go even if there's a rain shower.

Please complete the online form below to give permission for your child to participate on the autumn walk. Also, if you are able to volunteer to accompany us and have a DBS, please let us know on the form.

<https://forms.office.com/e/KgfyAs6C0R>

*\*Please note that the Nursery Harvest Café is on that afternoon as well.\**

Please don't hesitate to get in touch with your child's class teacher with any enquiries.

Yours sincerely

Miss A Whitney  
Deputy Headteacher
