Year 2 Reading

Dear Parents and Carers

To encourage the children to read at home this year we have set up a reward system where they can earn team points and small prizes. We want to encourage each child to read at home at least **4 times a week**. Every time they read at home it is recorded and they will receive 2 team points if their diary has been signed by a parent. If they achieve reading 4 or more times a week which includes weekends they will receive a small prize. At the end of a half term the child or children who have read the most will also receive an extra prize.

We will begin this from this weekend when they will be able to start earning their 4 or more reads up to next Friday when we give out the prizes. They can also read other books which can be recorded in their diary but some of the reading does need to be their school book.

Please encourage your child to read with you at home and to develop a love of reading,

Thank you
Ms J Silvester and Mrs R Williams-Fenton
