Year 4 Homework Tasks

Dear Parents and Carers

As set out in the Autumn Term Topic Letter, we do expect that the children will be working weekly to read at least 3 times a week with an adult, learn times tables and learn spelling from the half-termly list.

In addition, this year, we would like to set the Year 4 pupils some challenges each half term that are more life skills than the above mentioned. Some of them are really good preparation for when we go to Laches Wood. For each challenge your child completes successfully, which we would ask that you write in their reading diary or email into the office, we will award the children with a gold star. If they are able to complete each of the challenges for the half term, we will work with the children to come up with a reward that those successful can all participate in.

Here are the challenges for this half-term:

- 1) Tie shoe laces securely in a bow.**
- 2) Learn the months of the year poem so they know how many days in each month.**

Thirty days hath September, April, June and November.
All the rest have thirty-one,
Excepting February alone,
And that has twenty-eight days clear
And twenty-nine in each leap year.

- 3) Fold clothes neatly (e.g. your PE kit).**
- 4) Learn to spell and write your surname with a capital letter.**

We hope you are able to support and encourage your child to participate in and complete each challenge and look forward to hearing about the results!

Kind regards

Miss A Whitney and Mrs L Gardiner
Year 4 Class Teachers
