

St. Michael's CE (VC) First School Newsletter

Number 04

24th October 2025

Looking back it has been an action packed half term with lots of wonderful learning opportunities for all of our children in school.

It was lovely to see so many parents at our parents consultation evenings last week, I hope you enjoyed hearing all about your child's progress and seeing some of their work.

Please have a look at the upcoming events on the last page of our newsletter to see what is happening next half term.

I wish you all a lovely half term break and look forward to welcoming the children back to school on Tuesday 4th November.

Through God we Love, Laugh and Learn

'This is the day that the Lord has made; let us rejoice and be glad in it.' Psalm 118:24

Nursery

This week is Kindness Week. We have been thinking of lots of ways to show kindness. In Forest School we showed kindness to the birds and squirrels, by making sure the feeders were filled up with lots of food.

Early Years

We are learning about comparing and who had more objects.

Year 1

We have been amazing Mathematicians and have been beginning our learning on the Part Part Whole Model. We have made a super start and have been using it to help us to add within 10.

Year 2

To complete our work on instructions we made one of our soup designs and checked the instructions as we made it. We realised that we needed to add a few more instructions to make it clearer to follow. After lunch we tasted our soup and had a piece of bread with it, most of us loved it!

Years 3 and 4

We have had a special visit from a real-life Viking.

We learnt a lot about what life was like in the Viking times (including some gruesome facts). We enjoyed taking part in activities involving role play, fact finding and playing Viking games.
