Dear Parents and Carers

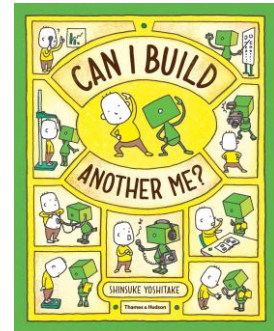

WOW Week

Today has seen the start of another new WOW week for Nursery, Early Years and KS2, here at St. Michael's (KS1 will be next week). As the children arrived, there were some questions in the 4W classroom window to make them think about themselves.

Throughout the week, the children will be participating in learning activities linked to the book:

Can I Build Another Me? By Shinsuke Yoshitake

'Can I Build Another Me?' follows a child's hilarious, wildly inventive train of thought as he decides to make a clone of himself – and starts to ponder what makes him HIM. Is it the scar on his knee or his sticky palms? Is it his love of acorns or the way he winks? The more he thinks about it, the more complicated it becomes...

Throughout the week, the children will be taking part in all sorts of curriculum activities that will engage the children in thinking about how special and unique they each are.

On Friday, we would love Nursery, Early Years and KS2 children to come dressed in clothes that really reflect their personalities and who they believe themselves to be.

Thank you for all of your continued support. We look forward to being able to share what the children get up to this week.

Kind regards

Miss A Whitney
