Year 4 Homework Tasks

Dear Parents and Carers

Well done to all of the children who completed any of last half term's challenges. Those who completed all 4 will be getting their extra reward as soon as we have a dry day!

As set out in the Autumn Term welcome letter in September, we are still expecting that the children will be working weekly to read at least 3 times a week with an adult, learn times tables and learn spelling from the half-termly list.

The challenges set each half term on top of these, are really good preparation for when we go to Laches Wood. For each challenge your child completes successfully, which we would ask that **you write in their reading diary or email into the office**, we will award the children with a gold star. If they are able to complete each of the challenges for the half term, we will work with the children to come up with a reward that those successful can all participate in.

Here are the next lot of challenges for this half-term:

- 1) **Make a bed – this must include fitting a bottom sheet, a pillow case and a single duvet cover correctly.**
- 2) **Try a different type of food you have not eaten before at least 4 times (different food each time).**
- 3) **Do a job/chore once a week chosen for you by your parents/carers.**
- 4) **No fizzy drinks for 4 days (as you can't have any at Laches Wood!).**

We hope you are able to support and encourage your child to participate in and complete each challenge and look forward to hearing about the results!

Kind regards

Miss A Whitney and Mrs L Gardiner
