Year 3 and 4 Topic Walk

Dear Parents and Carers

In the week beginning 23rd February, Years 3 and 4 will be walking along the canal and up to the Canal Cruising Company as part of our Geography Topic. Currently, we are learning all about Stone and as we are a canal town, we would like the children to learn more about canals and narrow boats. We will also be passing through the high street and having a look at some local features. We will be leaving after morning registration and should be back by the start of lunch.

Please ensure your child comes to school prepared for all weathers as we are planning to take the trip whatever the weather (unless there is heavy rain). Pupils are allowed to come to school in jogging bottoms on their day and must wear sensible shoes for walking in.

Please be aware that the classes are going on their own separately which has been decided to ensure that the Canal Cruising Company are able to accommodate us.

25th February – 4W – Canal Cruising Company then High Street
25th February – 3B – High Street then Canal Cruising Company
26th February – 4G – Canal Cruising Company then High Street

Please complete the online consent form via the link below.

The form also asks you to indicate if you would be able to help with the walks, and are happy to be contacted if required. We leave school at approximately 9am, returning around 12pm. If you are able to, you can volunteer to help the other classes too, indicate this on your form also. Volunteers will need to apply for a DBS certificate if you do not have one with the school already.
