Dear Parents and Carers

Re: Virtual Reality Wild Animals Workshop – Thursday 21st May 2026

As part of our rainforest topic next half term, we have arranged for the children in KS2 to take part in a workshop for at least 45 minutes in school. The company 'Giant Journeys' will deliver this educational session.

The children will be able to take part in a 'wild animals' session using virtual reality:

Take your class on an unforgettable flight across the globe, deep into wild habitats, and right into the heart of the animal kingdom — all without leaving the school hall. In this immersive VR workshop, pupils will experience life from new perspectives, learn about animal behaviour and adaptation, and explore ecosystems as if they were really there.

The VR session will take place on **Thursday 21st May 2026** in school, as part of the normal school day. We would like to thank the PTA for subsidising this session and in order to cover the full cost involved in providing this educational workshop we are asking parents for a voluntary contribution of £3.50 per child. This can be made in the usual way through the SchoolMoney website.

Thank you for your continued support.

Yours sincerely

Miss A Whitney
Deputy Headteacher
