17th June 2026

Dear Children

Last week we shared our very exciting news that from September we will be taking all of our catering provision 'in-house'! As a result of this we are creating a brand-new menu, and we would love *your help* in bringing it to life.

We would like you to design a fun and imaginative character that could represent our school meals. Your character might be a friendly fruit, a superhero vegetable, a cheerful chef, or anything else you can dream up!

The winning design will be used as the inspiration for a computer-designed version, which will appear on our school menus and around the dining hall. This means your idea could become a real character that everyone in the school sees!

What to include:

- A colourful drawing of your character
- A name for your character
- A few words about who they are (e.g. what they like, their personality, or their favourite foods)

Tips:

- Make your design bold and clear
- Use bright colours
- Be as creative and original as you can

We can't wait to see all your amazing ideas and celebrate your creativity. Who knows—your character might become the face of our new menu!

Please hand in your designs by Friday 3rd July ensuring they are named.

Yours sincerely
Mrs J Wass
Headteacher
