8th June 2026

Dear Parents and Carers

World Cup 2026 WOW Week

Today has seen the start of another new WOW week here at St. Michael's. As the children arrived, there were lots of flags up – how many of them did you know?

Throughout the week, the children will be participating in learning activities linked to the World Cup. Each class will also be focusing on a country who qualified and learning more about the features of that country:

Nursery – England
Early Years – France
Year 1 – Spain
Year 2 – Uzbekistan
Year 3 – Netherlands
4G – Australia
4W – Argentina

Throughout the week, the children will be taking part in all sorts of curriculum activities that will engage the children in thinking about the world cup and their chosen country. Please send in your child's outdoor kit for the week as weather permitting, the children will be getting outside to improve their football skills!

On Friday, we would love the children to come dressed in football kits, PE kits or the colours of a country they wish to support.

Thank you for all of your continued support. We look forward to being able to share what the children get up to this week.

Kind regards

Miss A Whitney
Deputy Headteacher
