Dear Parents and Carers

Black History Month

As part of 'Black History Month' we are running an art competition. In the UK, Black History Month is a national celebration that happens every October with the aims to promote and celebrate the contributions black people have made to society to ensure Britain's story reflects the full diversity of the people who have shaped it.

We are asking children to create a piece of artwork inspired by a famous historic black figure. It may be an artist, author or other inspirational person. The art can be in any medium.

Entries must be in by **Friday 6th November 2026**.

We are looking forward to all the creative and inspiring artworks.
