Dear Parents and Carers

We are delighted to announce that, thanks to the wonderful support of our PTA, we have been able to purchase a wide range of new books for our children to enjoy.

The funds raised through PTA events last year have enabled us to invest in:

- New books for our reading scheme
- Additional books to support our Little Wandle Phonics programme
- New "Find Out About" book baskets for Years 1 to 4, filled with high quality non-fiction texts on a variety of fascinating topics.

The children have been incredibly excited to explore these new books. It has been wonderful to see their enthusiasm for reading, whether they are building confidence with their phonics, enjoying stories from our reading scheme, or discovering interesting facts through the new non-fiction collections. The books are already proving to be a popular addition to our classrooms and reading areas.

We would like to extend our sincere thanks to all members of our PTA and to every family who supported fundraising events throughout last year. Your contributions have directly helped us enhance our children's reading opportunities and foster a love of books and learning across the school.

Thank you for your continued support.

Mrs J Wass
